Tips for your assignment and presentation

- ⦿ Research the history and development of your given Designer and show what you have learned about your designer by relating all relevant information in your report.
- ⦿ Include sketches & images where appropriate.
- ⦿ Use licence free imagery such as creative commons, flickr.com etc to obtain copyright free images.

Marking scheme	%	Marks awarded
Report formatted as per brief with all correct pages, word count (2,000), contents page & reference page. APA style referencing used correctly. To include sections for introduction, history, opinion, and summary.	10	
History: Evidence of research shown. Learner showed good knowledge of the researched Designer. Included references from accurate sources. Learner showed evidence of the history of the designer, timber preference, styles, influences, and books. Learner was also able to provide a location as to where the designers works was or is on display.	40	
Opinion: Learner discussed their views on designer's work. Learner referred to materials choice and finishes. Learner offered opinion about the style of the Designers work and what did or did not appealed to them. Learner discussed features of the Designers work and whether it would influence them in their final year project.	30	
5 Sketches & 5 Images The learner included sketches or images where appropriate, labelled and referenced correctly. Sketches and images were referred to within the body of the text.	20	
Total	100
